1st REHEARSAL
MONDAY
OCTOBER 30
7:00 PM

My Dear Sarasota Choral Society Friends,

I am very excited to know that I will soon be seeing you for another season of Handel's *Messiah*.

There continues to be a lot of chaos in the world following a long season of uncertainty; people in general have been less inclined to commit to going out when not necessary and more glued to screens.

I find that through the last few years, music has been an incredible source of comfort and hope, a place where our differences do not matter, and a rare way to find unity in such a divided world.

It is my prayer that you will come back and share your gift of singing with us, and that you will also encourage someone new to come and participate in this special experience.

To know that we all share in this powerful masterwork, not only here but around the world, as many organizations do all over our planet, brings true hope for universal peace and love.

See you on Monday, October 30th at 7 pm in the sanctuary at Church of the Palms, 3224 Bee Ridge Rd.

All Best,

Genevieve Beauchamp
Artistic Director
